As a certifying Board, we are required by the American Dental Association to collect annual fees from each Board Diplomate. A registration fee is due upon passing the certification examination, and an annual registration fee is due January of each year to remain an active Diplomate of the American Board of Dental Public Health (ABDPH). The annual registration fee for the ABDPH is \$275.00 (Regular Fee), or one of two voluntary categories of \$325.00 (Contributing Diplomate), \$375 (Sustaining Diplomate).

If the annual registration fee is not paid, the Board of Directors will declare the Diplomate not in good standing. Lack of good standing results in the following actions taken by the Board: 1) The Diplomate's name will not appear on American Association of Public Health Dentistry Home Page, [www.aaphd.org](http://www.aaphd.org), link to the ABDPH Web Page under ABDPH Diplomates; 2) the Diplomate's name also will not be included in the list the Executive Director sends to the American Dental Association's Council on Dental Education and Licensure each year; 3) verification requests on your status as a Board Diplomate will include "not in good standing" in the reply. In order to be reinstated to active membership, the Diplomate must provide the annual registration fees that are owed, and any additional reinstatement fees.
