AAPHD Foundation Herschel S. Horowitz Scholarship 2021 Request for Applications

The AAPHD Foundation was established to promote the future of dental public health education and science and to support the primary goals of the Association including:

- Promotion of effective efforts in disease prevention, health promotion and service delivery;
- Education of the public, health professionals and decision-makers regarding the importance of oral health to overall health and wellness; and
- Expansion of the knowledge base of dental public health and fostering competency in its practice.

One exciting opportunity that the Foundation creates for its members is the AAPHD Foundation **Herschel S. Horowitz Scholarship**. The Herschel S. Horowitz Scholarship supports dentists pursuing Dental Public Health specialty education in the US. Scholarship recipients are expected to pursue board certification in dental public health.

The scholarship provides financial support (up to \$10,000) for dentists to pursue a Masters of Public Health (MPH) degree accredited by the Council on Education for Public Health (CEPH) or an advanced education program in dental public health accredited by the Commission on Dental Accreditation (CODA). The scholarship is made possible through donations to the AAPHD Foundation and contributions from the family of Dr. Herschel S. Horowitz.
